

12th
IMPCA

ASIA'S INTERNATIONAL METHANOL CONFERENCE

Final Agenda

Tuesday, November 3rd, 2009

4:30 -7:00PM Registration

5:30 -7:00 PM Cocktail Reception
Sponsored By: Methanol Institute

Wednesday, November 4th, 2009

8:15-10:00 Wednesday Morning Session I - General Session
Introduction and Welcome To Delegates
Rene Butzelaar - President, IMPCA

Keynote Speech - Asian Energy Markets - Issues and Outlook
Marthe Hoff - President, Statoil Asia Pacific Pte Ltd

Energy - The Role of Coal
Steven Terry - Chief Analyst, Vitol

Global Methanol Outlook
Jim Jordan - President, Jim Jordan & Associates (JJ&A)

10:00-10:30 Morning Break
Sponsored by: Vitol

10:30-12:00 Wednesday Morning Session II -
Asian Methanol - Feedstocks and Economy

Methanol, China, and Energy - No Pain, No Gain
Mark Berggren - Managing Director, MMSA

Indian Methanol and Derivatives
JJ Modi - Deputy GM, International Trade - Deepak Fertilizers

Southeast Asian Methanol Markets
Muhtar Hashim - Managing Director - Ancom Kimia

12:00 - 1:30 Lunch
Sponsorship Available

1:30-3:30 Wednesday Afternoon Session I -
Methanol Chemical Applications - Asia

Formaldehyde Regulations and Asia
Dr. William Davies - Senior Vice President, Asia Pacific, Dynea

Acetic Acid - Westward Ho
Mark Berggren - Managing Director, MMSA

MTBE in Asia and Middle East: A Sunrise Industry
Clarence Woo - GM, Asian Clean Fuels Association (ACFA)

3:30 - 4:00 Afternoon Break
Sponsored by: Sud Chemie

Singapore

November 3-5,
2009

Johnson Matthey
Catalysts

4:00 - 5:00 Wednesday Afternoon Session II - Methanol Fuels Applications & Processes

Creating A Sustainable & Green Methanol Economy Today

Norbert Ringer - Süd-Chemie, AG Marketing and Sales, SynGas Catalysts
Group Product Manager Methanol

Metal-Free Transformation of CO₂ to Methanol: A New Possibility?

Dr. Yugen Zhang - Team Leader, Institute of Bioengineering and Nanotechnology (IBN)

5:30-8:30 Dinner Cruise Aboard the Harbour Queen - Tour of Singapore by Sea
Sponsored by: IMPCA

Thursday, November 5th, 2009

8:30-10:00 Thursday Morning Session I - Impact of Fuels, Pt. 1

Methanol to Gasoline [MTG] Technology: An Alternative for Liquid Fuel Production

Samuel Tabak - Licensing Executive, ExxonMobil Research and Engineering

Methanol to Olefins - Hydrocarbon Monetization?

Leo Wirawan - Associate Consultant, MMSA

Creating Extraordinary Competitive Advantage for Methanol Producers

Terry Fitzpatrick - Johnson Matthey Catalysts

10:00-10:30 Morning Break

10:30-12:00 Thursday Morning Session II - Impact of Fuels, Pt. 2

Responsible Care™ - Handling Methanol for Fuels Applications

John Livorness, Manager, Customer Service and Logistics, Asia Pacific - Methanex Corporation

Emerging Methanol Markets - Impact on Asia

Graham Hoar, Principal, C1 Chemicals & Fertilizers Practice - Nexant

IMPCA Reference Specifications

Trond Tenold - Secretary, IMPCA

12:00 - 1:30 Lunch

Sponsored By: Johnson Matthey Catalysts

1:30-2:30 Thursday Afternoon Session I - Methanol in Energy Solutions

Energy Sustainability Using an Integrated Power and Methanol Generation Plant

Azmi B Osman - Principal Engineer, PETRONAS Research Sdn. Bhd.

Global Energy Development and the Methanol Institute

Roland Yap, Vice President, Asia/Middle East, Methanol Institute

2:30 - 3:00 Afternoon Break

Sponsorship Available

3:00 - 4:00 Thursday Afternoon Session II - Methanol Panel Discussion

Methanol - Ready for Fuels This Time?

Mark Berggren - Managing Director, MMSA

Jim Jordan - President, JJ&A

Leo Wirawan - Associate Consultant, MMSA

Graham Hoar, Principal, C1 Chemicals & Fertilizers Practice - Nexant

4:00 Conference Wrap-Up and Close

2009
